Personal Narative Assessment

Today you will write a story of one time in your lives that you remember clearly.
You will have <u>an hour</u> to write this personal narrative. Here's what we'll write about:

There are often people in our lives who are really important to us. Write about one moment you spent with a person who was really important to you. Tell the story of that time."

If you finish early, reread your writing and make any revisions that you think are necessary.
